Hello Sara,

Thank you very much for letting me know you received my email along with the attached exhibits.

I mailed a hard copy addressed to Elizabeth Southerland, in the EPA's Office of Science and Technology, yesterday from Jackson, WY. According to USPS tracking information, delivery is scheduled for January 8, 2015 (tomorrow) to Mail Code 4301T. The tracking number is: **9114999944313591405060**.

A second hard copy was mailed to Shaun McGrath, Region 8 Administrator, in Denver, with delivery scheduled for tomorrow. USPS Tracking number **9114999944313591405084**.

Please be advised that for purposes of EPA review, the hard copy represents the "official" submittal from the Wyoming Outdoor Council; the emails were sent as a courtesy, and are not complete. Specifically, the Recreation Exhibits included in my email did not include complete information, as detailed below:

Recreation Exhibit 2: Washakie Ranger District, Shoshone National Forest, is a multi-page document containing visitor information. The email attachment includes only the cover page to this document.

Recreation Exhibit 3: Wyoming Atlas and Gazetteer: page 10 displaying popular hikes is not complete in the email attachment.

Recreation Exhibits 4-8: The exhibits included with the hard copy contain color maps and brochures; the email version shows only the cover page of each exhibit.

Thank you again for considering our comments.

Dan

Hi Dan,

Just wanted to let you know this was forwarded to me (with attachments).

Sorry for the confusion over my email address. Guess the system has not yet caught up to my name change.

Thank You,

Sara Willis-Hilbrich
